7

Monica is a history teacher in London. She enjoys reading about the history of people in other parts of the world and how events changed their lives.

Recommended New Books

A

London Alive

This author of many famous novels has now turned to writing short stories with great success. The stories tell of Londoners' daily lives and happen in eighteen different places – for example, one story takes place at a table in a café, another in the back of a taxi and another in a hospital.

B

Burnham's Great Days

Joseph Burnham is one of Britain's best-loved painters these days, but I was interested to read that during his lifetime it was not always so. Art historian Peter Harvey looks at how Burnham's work attracted interest at first but then became less popular.

C

The Missing Photograph

Another story about the well-known policeman, Inspector Manning. It is written in the same simple but successful way as the other Manning stories – I found it a bit disappointing as I guessed who the criminal was halfway through!

D

Gone West

A serious look at one of the least-known regions of the United States. The author describes the empty villages which thousands left when they were persuaded by the railway companies to go West in search of new lives. The author manages to provide many interesting details about their history.

E

The Letter

The murder of a television star appears to be the work of thieves who are quickly caught. But they escape from prison and a young lawyer says she knows who the real criminals are. Written with intelligence, this story is so fast-moving that it demands the reader's complete attention.

Đọc phần 3: Cho 10 câu và một bài văn. Dựa vào thông tin của bài văn, quyết định xem câu văn đã cho đúng hay sai.

- 11 This trip is for people who like peace and quiet.
- 12 Many different activities are organised on board.
- 13 The voyage begins in Scotland.
- 14 The ship follows a fixed route.
- 15 There are different types of accommodation.

Exploring the Arctic

The Arctic is one of the few places in the world untouched by pollution where you can see nature at its wildest and most beautiful. Join our ship the *Northern Star* from 2 to 18 July, for a 17-day voyage to the Arctic. During the voyage you are able to relax and get away from it all. There are no parties or film-shows to attend, quizzes to enter, or entertainers to watch. However, we do have specialists on board who are willing to answer any of your questions about the Arctic and who will talk about the animals and birds that you see on the trip.

After setting off from Scotland, we go north along the coast of Norway to Bear Island. Along the way you'll see thousands of seabirds and wonderful scenery, with rivers of ice and huge cliffs. You will have the chance to see reindeer, polar bears, and other Arctic animals. Although we have a timetable, experience has shown that we may have to change our direction a little, depending on the weather and on which animals appear.

The *Northern Star* is a very special ship and our past voyages have been very popular. Our cabins all have the same excellent facilities, which include a private bathroom and refrigerator. Our chefs are happy to prepare any food for people on special diets. Choose just what you want to eat from the wide variety available from the dining room buffet. There is a library, shop, clinic and plenty of space for relaxation. If you need some exercise, why not go jogging every morning around the decks, or do some swimming in the indoor pool.

Prices include economy class air travel and 16 nights on board the *Northern Star*, all meals and excursions and all lectures.

Day 1 Board the *Northern Star*.

Days 2-7 We sail slowly north along the coast of Norway, stopping at places of interest.

Ainsley Harriott

I've always been a bit of an entertainer and played the funny man. I was a part-time comedian for years, so I learned how to stand in front of audiences. It made me sure of myself. I like being liked and I love making everyone smile.

I've lived in London all my life and have just moved to a larger house with my wife Clare and our two children, Jimmy and Madeleine. We spend a lot of time just singing and dancing around the house. I grew up with music because my dad is the pianist, Chester Harriott – who's still playing, by the way. My working day is divided between television and writing cook books, though TV takes most of my time. I spend about five days a fortnight working on the cooking programmes I appear in. I eat all sorts of things at home but I only buy quality food. When I'm cooking, I experiment with whatever is in the fridge – it's good practice for my TV series.

I'm a football fan and enjoy going to matches, but I'm a home-loving person really. I don't like going to the pub but we do go out to eat about twice a month. There's nothing better than a night at home playing with the children. I rarely go to bed before midnight. Late evening is when fresh thoughts on cooking usually come to me, so I often write or plan my programmes then. When I eventually get to bed, I have no trouble sleeping!

21 What is the writer's main purpose in writing the text?

- A to describe how he lives
- B to say what makes him laugh
- C to talk about his cooking ideas
- D to explain how he started in TV

22 What would a reader learn about Ainsley from the text?

- A He is a very good musician.
- B He likes to plan the family meals.
- C He is nervous about performing on stage.
- D He enjoys spending time with his family.
