Da Nang is one of the most popular place for both Vietnamese and foreign tourist. It is a destination that you simply cannot afford to miss. Visiting Da Nang I am really impressed by Ba Na Hill containing longest cable car from land to the top of the mountain. It is an unforgettable experience for visitors to observe breathtaking sight and picturesque scene. The beaches have long golden sand. Tourist has a chance to relax, enjoy the peace and nature. Moreover, the city has many big bridges like: Dragon bridge, Quay bridge and a large outdoor entertainment named Asia park. Additionally, there are a lot of delicious typical dishes such as: Quang noodle, Xeo cake, pork pan-cake and others.

Da Nang is preserved for its natural beauty; therefore, a lot of tourists come here. This leads to polluted environment, natural damage and other social problems.
