4. According to the writer, we can use the computer for a long time. 4. ....
5. Computers should only be used for a limited time. 5. ....

## 2. Read the passage carefully.

### MY VILLAGE

I live in a village by Mekong River. Every day, like most of my friends, I walk to school. It is three kilometers away. After class, I often help my mother to collect water from the river and feed the chickens. At the weekend, the villagers often gather at the community hall where there is a TV. The adults watch TV, but more often they talk about their farm work and exchange news. The children run around, playing games and shouting merrily. Laughter is heard everywhere.

My father sometimes takes me to the market town nearby where he sells our home products like vegetables, fruits, eggs... He then buys me an ice cream and lets me take a ride on the electric train in the town square. I love those trips.

On starry nights, we children lie on the grass, looking at the sky and daring each other to find the Milky Way. We dream of faraway places.

### Answer the following questions.

1. Does the boy like riding on the electric train in the town square?

.....

2. What do the children do on starry nights?

.....

3. Do you like to live in the countryside or in the city? Why?

.....

3. You can earn money from volunteering. \_\_\_\_\_
4. Volunteering is good for your future job. \_\_\_\_\_

## III. Read the passage then answer the questions

What do you know about Christopher Columbus? He was a famous sailor and explorer. Columbus was 41 years old when he sailed from southern Spain on August 3, 1492. He went with a crew of 90 men. Thirty-three days later, he landed on Walting Island in the Bahamas.

Columbus wanted to find out what the rest of the world looked like. He also wanted to make money. He would sail to distant islands and trade with the locals there. He would buy their silks, spices and gold. Then he would sell them in Spain.

In Spain, people would pay high prices for them. Columbus got the Queen of Spain to approve his plan. She would pay for his ships and crew. He would keep 10 percent of the value of the goods he brought back. She would take the rest.

1. When was Christopher Columbus born?

.....

2. How long did it take him and his crew to Walting Island?

.....
